

## Sample Private Dining Menus

We hope you're feeling hungry... Look forward to robust, fresh flavours served with imagination and flair. Head Chef Charles Lakin presides over heavenly menus that change regularly and use locally caught fish and locally sourced produce. The wine, beer and drinks list is also top notch. Old school... New World... Kent wines from Kent vineyards... local real ales... great taste is everything at the Marquis.

We offer special accommodation rates for those who want to make a night of it or are travelling a little further... We will make sure that you get everything you require with a planning service which can include everything from Flowers, balloons, cakes to champagne arrivals and much more...
