Welcome to the Marquis... Our 2012 tariff is here for your perusal—please take a look through. We hope we can tempt you to visit us during 2012.

For those of you who have not visited Dover Castle, South Foreland or Samphire Hoe (the areas on top of the White Cliffs), there are plenty of amazing days out on our doorstep to keep you amused during your stay. The Alkham valley is also a hikers & horse riders paradise.....

Why not try out our Vineyard cottages, a short distance from the main building. A haven of peace and tranquillity in luxury surroundings. Our cottage mini break is great value and includes chef Charlie Lakin's famous tasting menus on the evening of your arrival.

You can now build your own package with our new tariff. Why not try one of our new Suites which have just recently been completed to the same 5 star standard.

Why not arrive early & ask for one of our local walking guides ? After your walk, try afternoon tea on the terrace before checking in. While away the evening with a Gastronomic tasting dinner in our Michelin rated restaurant matched with our Sommeliers choice of wines...

We look forward to welcoming you to Alkham.

From all the team at the Marquis
